P1 IRYS MODRÝ

The image shows a close-up of a quilted fabric. The pattern consists of a grid of squares, each containing a different color or shade. The colors are primarily warm tones: various shades of orange, from light to dark, and various shades of green, from light to dark. There are also some yellow and brownish-green squares. The squares are separated by thin, light-colored lines, likely representing the stitching of the quilt. The overall effect is a vibrant, multi-colored checkerboard pattern.

P1 KOSTKA MIX

The image displays a 4x4 grid of fabric swatches. The colors alternate in a checkerboard pattern: orange in the top-left and bottom-right positions, and yellow in the top-right and bottom-left positions. Each swatch is a square with a fine, woven texture. The grid is separated by thin, dark lines.
